## Fundraising

We are looking for as many people as possible to take part in Durham Big Ride this September and raise money for Gateway Wheelers. There is a 2, 10 and 25 mile ride on the 1st September and The Beast 50 mile ride on the 8th. We can supply the bikes if necessary. Everyone gets a t-shirt, medal and goody bag! Please get in touch with the office if you would like to join us for this fun day.

### reCycle with GATEWAY WHEELERS

Gateway Wheelers are collecting your old clothing and mobile phones to help raise much needed funds. Items must be of good quality and reusable condition. Please bring along items to our Sunday rides.
