## Spring 2014 Newsletter

Reg. Charity 1084149

It's time for our Easter Rides again. We will be cycling at Chester-le-Street on the 6th April and Darlington on the 27th April. Costs are £4 for members and £5 for non-members and includes hot chocolate and an easter egg.

**Places must be booked.**

## Fundraising

We are looking for as many people as possible to take part in Durham Big Ride this August and September and raise money for Gateway Wheelers. There is a 2, 10 and 25 mile ride on the 31st August and The Beast 50 mile ride on the 14th September. We can supply the bikes if necessary. Everyone gets a t-shirt, medal and goody bag! Please get in touch with the office if you would like to join us for this fun day.

## The Future

For the past 5 years we have been funded by the Big Lottery Fund but unfortunately this has come to an end. We are working hard to secure further funding and will be running as normal for the next few months. You can help us by continuing your membership with us and supporting our fundraising activities.

## Flamingo Land 2014

We are hoping to hold our trip again in October date to be announced at the AGM
